

7 Vibrant Wonders: Unveiling the Zebra Urban Furniture Collection

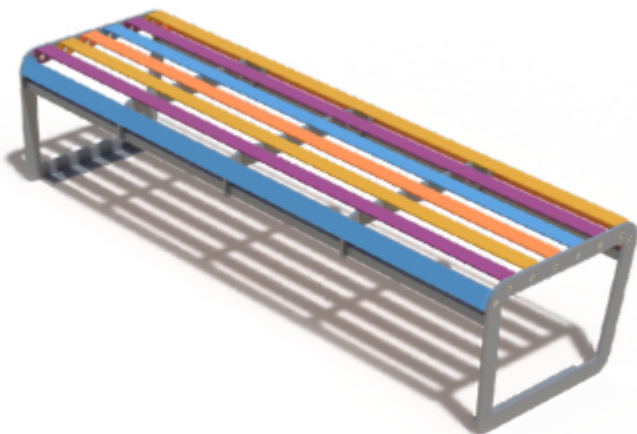

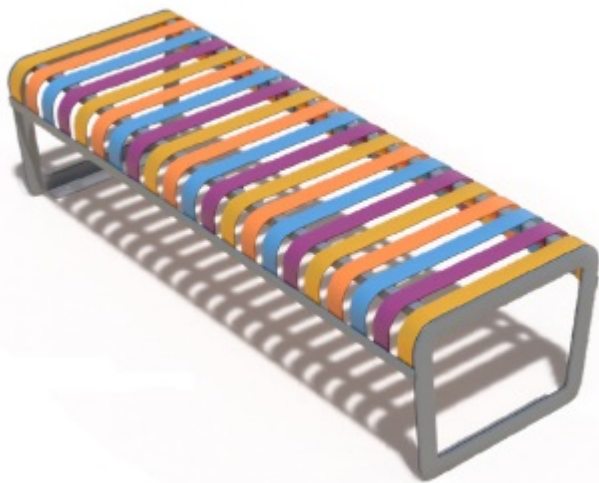

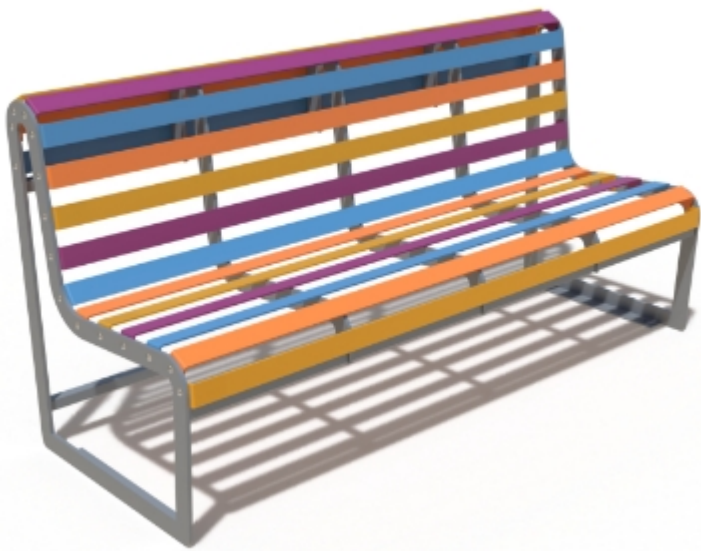

In urban settings, where the pace is fast and the surroundings bustling, the Zebra Urban Furniture Collection emerges as an oasis of comfort and contemporary design. Crafted from durable steel and polyethylene, these benches and planters offer more than just a place to sit – they provide a vibrant pop of color and functionality to any outdoor space. With options ranging from circular benches with integrated planters to straight benches with or without backrests, the Zebra Collection offers versatility and durability for parks, campuses, plazas, and more. Explore the possibilities and make your urban environment truly stand out with Zebra.

Meet The Collection

Our steel benches and polyethylene planters are built to withstand the toughest weather conditions. With a wide array of color options available, you can easily tailor the benches to complement any environment.

Here's what you need to know about Zebra urban furniture:

- Compatibility with Gianto planters
- Extensive color range
- Powder-coated RAL painting
- Hot-dip galvanized steel for durability
- Smooth or textured surface options
- Securely mounted to the ground for stability

Zebra urban furniture isn't just about seating; it's about creating inviting spaces that encourage social interaction and relaxation. Whether you're enjoying a moment of solitude or

engaging in lively conversations with friends, Zebra benches offer the perfect spot to unwind in the midst of urban hustle and bustle.

Explore the last image to discover the available color options and envision how Zebra furniture can transform your urban landscape. With Zebra, comfort, style, and durability converge
